## MASTER OF HEALTHCARE ADMINISTRATION – ONLINE PROGRAM

The Master of Healthcare Administration (MHA) program is designed for those individuals who are currently, or who aspire to be, leaders in variety of health settings. Today's health organisations need administrators who can manage the current components of health care, as well as lead the health sector in new directions.

The MHA program offers students the opportunity to understand and master the organisational, legal, financial, political and managerial aspects of health systems management. The MHA program offers a unique curriculum that is designed specifically to meet the career needs of future health leaders.

### ADMISSION REQUIREMENTS

Students must meet the minimal admission requirements for AISS-Park University's Master of Healthcare Administration program, which include:

- A Bachelor's degree from a regionally accredited National institution.
- A minimum of a 2.75 cumulative grade point average on a 4.0 scale in the bachelor's degree.
- Submission of official transcripts is required.
- Students with a cumulative grade point average below 2.75 will be considered for conditional admission. Submission of additional documentation may be required if need arises.
